Chapstick

Each day your camper should put on his/her layers in the following order:

Poly pro top/bottom
Wool Socks
Fleece top/bottom (Please put ID card on lanyard on underneath waterproof shell.)
Neck gator & beanie
Waterproof outer shell

Dressing in this layering system allows your camper to take on and off layers as required to remain comfortable. A day pack should be packed each day with an extra pair of wool socks, chapstick, sun block, water bottle, sunglasses, ski goggles and any special snacks that you want your camper to have access to. ESC will provide a morning and afternoon snack. Please ensure that all of your camper's personal items are labeled. ESC is not responsible for lost items.

Additionally, each camper will be given an arm band and ID card that matches his/her buddy's. Please ensure your camper brings the arm band and ID Card to camp each day.
